

2021 Graduate Requirements and Benefits

Graduation Requirements

Each attendee seeking the graduation benefits must attend the required classes using their own individual log on ID and must log on from a unique terminal. The course is comprised of 20 live webinar classes. 10 of 20 must be completed to graduate. The participant must attend the first 6 (Core) classes, and may choose any of the remaining 4 classes. There is no limit to the number of classes one may attend, and it is encouraged to attend all one can.

Each of the webinar sessions will also be available to attendees as a recorded video. Attendees can substitute 2 recorded sessions for live Core classes, and 4 recorded sessions for Electives. The attendee has the flexibility to pick the time slot for each class that best fits their schedule. The webinar classes are approximately 30 minutes each. At the end of each webinar there is an open question and answer period to answer any questions about any material presented during the webinar. For each webinar class, there is a 10-question quiz that must be taken and passed with a 70 or better score for it to count towards graduation.

All course work must be completed by April 2, 2021. Section 1: Intro & Orientation must be attended live to continue participating in the Arborjet Winter Webinar Training Series.

Graduation Benefits

Each course graduate will receive:

- a rebate coupon good for \$150 of Arborjet products*
- (via email) a print ready "Arborjet Trained" logo which can be used for marketing and promotional purposes
- a listing as an Arborjet Service Provider in our online Service Provider search engine which directs prospective customers to their business
- lifetime free attendance at all future Winter Webinars
- ISA CEU's (CEU's may not be available for previous graduates of the course)

**Note as an Arborjet distributor, you do not receive a monetary rebate or CEU credit for completing our Winter Webinar course.*

Requirements to redeem the rebate coupon:

- All 6 Core sessions, at least 4 Elective sessions, a passing score on each quiz, all to be completed by April 2, 2021. The rebate form will be emailed to all graduates April 9, 2021.
- A minimum of \$400 of Arborjet products per course graduate must be purchased from an Arborjet distributor during the designated purchase window, beginning April 12, 2021 and ending May 28, 2021. Purchases made prior to April 12, 2021 or after May 28, 2021 are not eligible for the rebate.
- The rebate coupon must be returned to Arborjet along with a copy of the paid invoice as proof of the qualifying purchase.
- The rebate coupon and copy of paid invoice must be returned to Arborjet by or before June 11, 2021. Rebate coupons will become null and void after June 11, 2021.
- Upon satisfaction of the above requirements, course graduate will be mailed a gift card worth \$150.
- Only one rebate coupon per graduate will be issued and rebates cannot to be combined with other rebates or promotional programs.
